ARBITRATION COURT IN TRADE DISPUTES.

The International Chamber of Commerce has just perfected plans for the establishment of a Court of Arbitration for commercial disputes. This plan represents two years of careful study by experts. The proposed trade tribunal is independent of all Government agencies.

It has long been recognized that owing to the differences in language and laws, the great distances involved, and the limitations on means of communication, the ordinary legal procedure in settling disputes between nationals of different countries is fraught with extreme difficulty, expense and delay.

The Chamber of Commerce of the United States has made considerable progress in facilitating the settlement by arbitration of disputes arising between business men in this country, and also between those of this country and certain South American countries. It is believed the establishment of the court of arbitration will result in a service of incalculable benefit.

To bring the court to the attention of business men throughout the world, the Executive Committee has recommended that all traders insert the following clause in their international contracts:

"The contracting parties agree to submit to arbitration, in accordance with the arbitration rules of the International Chamber of Commerce, the settlement of all disputes in connection with the interpretation or the execution of this contract."

People Notice It. Drive Them Off with Dr. Edwards Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver

with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Olive Tablets are a purely vegetable

compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have

taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, feeling, constipation, torpid liver, bad

disposition or pimply face.
Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

THE COME-BACK.

Grandfather Willard rises, majestic, in the gloom; "You're due for some surprises," we hear him bravely boom; "you've taken it for granted I was too dead to skin, all ready to be planted where none may toil or spin. Because my locks are hoary, because my hinges screech, you thought the field of glory was far beyond my reach. But soon I will be reigning a champion once more, for I've been busy training—though training is a bore. My elephantine labors with gloves and punching bag have so inspired my neighbors, they bet on me and brag. The critics have rescinded their fatuous decrees, I am not broken-winded, I have no spavined knees. I'll meet this Dempsey person, and on that fateful day some bard will write a verse on his tombstone, right away." fear when Dempsey whacks him with lusty biff and crack, 'twill merely prove the maxim that has-beens don't come back. I'd like to see Jess flourish like yonder green bay tree, but faint the hopes I nourish, they're sickly things to see. When to the ring I've motored I'll root for him all day, but, while I'd boost a dotard. I would not bet that way.

It's the same story over again. Tomen suffer from ailments for years. They try doctors and different medicines, but feel no better. Finally they take Lydia E. Pinkham's Vegetable Compound and you can see its value in the case of Mrs. Miner.

That's the truth of the matter. If you

are suffering from any of the troubles women have, you ought to try this medicine. It can be taken in safety by young or old, as it contains no harmful drugs.

BAD STOMACHS CAUSE PIMPLES

Boils, Pimples, Blotches on Skin Often Caused by Constipation or Indigestion.

When the stomach is in such a bad condition that the food sours and ferments and when the bowels are torpid and clogged with the foul matter that should pass away it is certain that the poisons must go into the blood and find their way out of the system through the skin as well as through the same should be supplied and the natural channels. So pimples and bolls appear, the skin becomes rough and irritated—often serious eczema is the result of acid stomach and lack of bowel action.

All this can be avoided and if present can be made to pass away and the skin cleared up and made healthy by a course of Nerv-Worth. CULP CASE HERE CONTINUED WHILE DECISION FOUGHT

With the announcement Thursday that the State would fight the haben, corpus proceedings under which the Rev. W. W. Culp, erstwhile Spring Valley minister, who eloped with Esther Hughes, June 14, was released from the Dayton Work House where he was serving time on an abandonment charge Judge J. Carl Marshall continued Culp's trial on the non-support charge filed here from Thursday until December 15.

Culp, who is now living with his wife and children at Nappanee, Ind., where he is employed in the furniture factory in which he worked before entering the ministry, appeared in Court here Thursday morning with hs attorney, Charles W. Folkerth of Dayton. On decision of Prosecuting Attorney J. Kenneth Williamson to carry the habeas corpus proceedings to the higher courts, Judge Marshall continued the time for hearing the non-support case, because of the possibility of Culp's return to the Work House on the old charge.

Neither was Culp arraigned on the indictment returned by the October Grand Jury against him, charging him with removing mortgaged property from the state, and based on his elopment in the automobile on which the Ballard Auto Sales Company of Dayton still held a large mortgage. It was expected that Culp would be arraigned on the charge, but on his arrival here Thursday he informed authorities that he had made good the claim held against him by the Dayton concern by paying the mortgage. Although that does not relieve him of his responsibilities to the criminal charge, Prosecutor Williamson delayed the arraignment, until this statement can be investigated the state determine whether it will be backed by the automobile concern in the prosecution.

After Culp's romantic escapade with the young girl who made her by Judge Marshall. He had served only a few weeks of his term, when the habeas corpus proceedings were instituted in the Court of Probate here. Judge Routzohn in Dayton, and Culp obtained his release on a legal technicality. The habeas corpus proceedto an error in printing the affidavit, the words "State of Ohio" did not apwith the works "County contention was upheld when the habeas corpus was allowed.

Immediately after his release, the Ballard Auto Sales Company caused his arrest on a charge of removing mortgaged property, the case having been filed in Dayton. A few days later he was released from that charge, when the Court held that thursday—
it lacked jurisdiction because the
W. R. C. deed was committed in Greene County. Immediately Greene County authorities caused his arrest on a charge of non-support, in order to hold him and keep him from leaving SATURDAYthe state. He pled not guilty when arraigned on this charge before Judge Marshall, and his trial set for an October date, but was later con- MONDAYtinued until Thursday.

Judge Marshall and Williamson, now believe that the Technicality in the printto the technicality in the printto the technicality in the higher L. O. O. M.

CULP CASE HERE CONTINUED WHILE DECISION FOUGHT

With the announcement Thursda; that the State would fight the habens corpus proceedings under which the Rev. W. W. Culp, erstwhile Spring Valley minister, who eloped with Esther Hughes, June 14, was released from the Dayton Work House where he was serving time on an abandonment charge Judge J. Carl Marshall continued Culp's trial on the non-support charge filed here from Thursday until December 15.

Culp, who is now living with his wife and children at Nappanee, Ind., where he is employed in the furniture factory in which he worked before entering the ministry, appeared in Court here Thursday morning with hs attorney, Charles W. Folkerth of Dayton. On decision of Prosecuting Attorney J. Kenneth Williamson to carry the habeas corpus proceedings to the higher courts, Judge Marshall continued the time for hearing the non-support case, because of the possibility of Culp's return to the Work House on the old charge.

Neither was Culp arraigned on the indictment returned by the October Grand Jury against him, charging him with removing mortgaged property from the state, and based on his elopment in the automobile on which the Ballard Auto Sales Company of Dayton still held a large mortgage. It was expected that Culp would be arraigned on the charge, but on his arrival here Thursday he informed authorities that he had made good the claim held against him by the Dayton concern by paying the mortgage. Although that does not relieve him of his responsibilities to the criminal charge, Prosecutor Williamson delayed the arraignment, until this statement can be investigated and the state determine whether it will be backed by the automobile concern in the prosecution.

After Culp's romantic escapade with the young girl who made her home in his family, and his subsequent arrest and return to this city in July, he was arraigned on an abandonment charge and sentenced to on the non-support charge. If a decia year in the Dayton Work House an dto pay a fine of \$500 and costs by Judge Marshall. He had served only a few weeks of his term, when instituted in the Court of Probate Judge Routzohn in Dayton, and Culp obtained his release on a legal technicality. The habeas corpus proceedings were based on the fact that due to an error in printing the affidavit, the words "State of Ohio" did not appear in the body of the affidavit although they are used in the caption along with the works "County of Culp's attorney the affidavit was not definite and his to his present home in Nappannee. contention was upheld when the habeas corpus was allowed.

Immediately after his release, the Ballard Auto Sales Company caused his arrest on a charge of removing mortgaged property, the case having been filed in Dayton. A few days later he was released from that charge, when the Court held that it lacked jurisdiction because the deed was committed in Greene County Immediately Greene County. Immediately Greene County authorities caused his arrest on a FRIDAY charge of non-support, in order to hold him and keep him from leaving SATURDAYthe state. He pled not guilty when arraigned on this charge before Judge Marshall, and his trial set for an October date, but was later con- MONDAYtinued until Thursday.
